Welcome to DAIKIYA

At DAIKIYA, we see Japanese cuisine as a balance of tradition, fresh ingredients and creativity.

With more than 19 years of experience in Japanese gastronomy, we combine traditional techniques with our own approach to sushi. We carefully select each ingredient and prepare every dish to order, always seeking the perfect balance of flavour, quality and harmony.

Our menu features a carefully curated selection of sushi, sashimi and nigiri, together with tartares, hot dishes and other specialties inspired by Japanese cuisine.

At the heart of Palma, we share our passion for a cuisine that respects its essence while expressing its own identity.

Welcome to our way of understanding Japanese cuisine.
